

## Eurovent END TUBE

Eurovent END TUBE, a finishing element of the snow-stopping pipe is manufactured from plastic. Used to plug snow pipes at their ends.

PARAMETER	UNIT	VALUE
Material		Plastic
Crushing temperature	[°C]	< -100
Vicat softening temperature (1kg)	[°C]	88
Tensile stress	[Mpa]	2
Tension at break	[Mpa]	8
Dimension	[mm]	Ø 32
Colour	[RAL]	Black 9005
UV resistance		Resistance
High temperature resistance		Resistance
Low temperature resistance		Resistance
Resistance to environmental stress corrosion		Resistance
Package	[pcs]	10

### Advantages:

- Fast and easy application
- Double protection against corrosion
  - Strength and durability

## Eurovent END TUBE

### Application:

Element for plugging snow pipes with a diameter of Ø 32 mm.

### Storage / transport:

The product should be stored under roof in dry, damp-free rooms, protected from direct UV radiation. Product can be deformed, disfigured or suffer from damages of galvanized/paint coating if put under high pressure. Therefore it is unadvised to stack the product with other heavy products (both in storage and in transport). It is recommended to transport the product with use of covered means of transport, in manner that protects them from damage. During the transport safety regulations have to be observed. The product should be protected from chemical agents, in particular solvent-based substances, as they can reduce technical parameters of the product or permanently damage it.

The product is under warranty, providing that the guidelines included in technical data sheet are being obeyed. We reserve the right to refuse a complaint recognition in case of not following these guidelines.

*Included information, advices and guidance is given based on our best knowledge, researches, experience and in good faith. We are not be held responsible for the consequences of improper or incorrect use of our products. Each user of the product shall ensure, in every possible way, including checking the end-product in given conditions, that the provided product is suitable to reach objectives he pursues.*
